**The core technical training and certification program for the electronic security industry:** This 22 hour foundational course is so essential dozens of states and localities insist on it as a prerequisite for performing security integration work. The course is targeted to technicians, service personnel, installation personnel, sales staff and business owners to prepare to plan for, and initiate a successful installation. The course concludes with a two-hour examination. (CEU# NT-0001) (2.2 CEUs)

In compliance with the Americans with Disabilities Act, WISA will accommodate special needs students through the following procedure. If a student has a special need, it must be documented in writing from the student's doctor or other qualified professional. This written documentation must accompany the class registration form. **WISA class cancellation policy:** A refund minus a twenty-dollar (\$20.00) processing charge will be given when a cancellation notice is given 72 hours or more prior to the start of the class either through phone or e-mail. Invoiced but not paid, 'No Shows', will also be billed. If WISA is not notified of a cancellation, there is no refund. A full refund will be given if the WISA cancels the class.
