Limited Space Available... Personal Device with internet & video capability required for class

WISA Members.... \$ 275 Non-Members.... \$ 375

An e-manual is included in this purchase-Prefer print? A copy can be purchased through NTS for an additional cost

This 7-hour course, followed by an exam, teaches the basic elements of the electronic life safety and security industry including sensors, control panels, and communications with an emphasis on the need for an adequate site survey. It stresses the importance of false alarm prevention while exploring the interaction between electronic life safety and security professionals, law enforcement and fire prevention officials. (.8 CEUs)

SUBJECT AREAS:

- General Subject Introduction
- Sensors
- Control Panels
- Communications
- Site Surveys

In compliance with the Americans with Disabilities Act, WISA will accommodate special needs students through the following procedure. If a student has a special need, it must be documented in writing from the student's doctor or other qualified professional. This written documentation must accompany the class registration form. **WISA class cancellation policy:** A refund minus a twenty-dollar (\$20.00) processing charge will be given when a cancellation notice is given 72 hours or more prior to the start of the class either through phone or e-mail. Invoiced but not paid, 'No Shows', will also be billed. If WISA is not notified of a cancellation, there is no refund. A full refund will be given if the WISA cancels the class.
